Response to Arguments

4. Applicant's arguments, see response, filed 12/11/2009, with respect to Claims 1-15, 19-24, and 33-40 have been fully considered and, when considered in combination with the instant Examiners Amendments are persuasive. The rejection of 1-15, 19-24, and 33-40 has been withdrawn.

Allowable Subject Matter

- 5. Claims 1-15, 19-24, and 33-40 allowed.
- 6. The following is an examiner's statement of reasons for allowance:

The prior art of record neither teaches nor suggests the limitation of determining an adjustment factor of an average minimum score assigned to a web server in inverse

proportion to a *total* number of documents hosted on a web server when scoring/ranking documents returned from a search engine query.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
